### **Inclusive music workshops for staff and carers working with children and adults (students) who have severe, profound and complex learning difficulties.**

Sessions can include learning a variety of songs, playing accessible musical instruments, exploring music technology (iPads, music technology and instruments are provided) and an introduction to "The Improve Approach".

Maximum number in group: 10

Workshop duration:

- 45 mins ~ £115: introducing creative music-making using iPads and tuned percussion ("The Improve Approach" - free ebook downloadable from [www.improviseapproach.com](http://www.improviseapproach.com))
- 1 hour 30 mins ~ £195: "Pot Pourri" - songs for signing/ call and response/ action songs/ an introduction to the baby accordion for beginners/ creative music-making using iPads and tuned percussion ("The Improve Approach")
- Half day ~ £250 / whole day ~ £400: Combined music lesson with staff training. A combined music session with staff training together with their school/ adult groups (maximum numbers of 10 students and 1:1 staffing). This gives staff the opportunity to observe and participate in Carrie's music session whilst at the same time, learning about new activities and technology.
